AZTECH IDE CD-ROM DRIVE WINS "PC WORLD BEST BUY AWARD"

PC World magazine of the USA has awarded the 'PC World Best Buy Award' to Aztech IDE CD-ROM drive giving its accreditation for being feature rich and great value for money. The announcement was published in PC World Magazine of USA in December 1994.

Also UK magazine PC Zone 1994 issue, declares the Aztech IDE CD-ROM drive as the best buy of all the CD-ROM drivers they tested. PC Zone mentioned that the drive was "ridiculously good for money"

The Aztech IDE CD-ROM drive is an ideal for user as it is compatible with industry standard IDE interface, eliminating the need for a controller card. It supports CI-1 for MPEG playback of up to 72 minutes of full motion picture video, making is an excellent choice for anyone with an interest in multimedia. Using a Quick CD play button on the front panel, users can listen to audio CD's without loading any software. Coupled with its solid set of features and competitive price, user will find that the Aztech IDE CD-ROM drive is a hot item on this year's shopping list. Aztech products are distributed in Bangladesh by Infotech Ltd. Dhaka, Tel : 814648.
