

## IBCS-PRIMAX Signs Contract with Bantel

Bantel Ltd., a recent winner of Interconnection Exchange (ICX) Services license signed an agreement with IBCS-PRIMAX Software (Bangladesh) Ltd. to develop and implement their ICX Billing System. The ICX Billing Solution includes Mediation, Rating and Billing, Alert system, Payment System and Reporting modules.

To liberalize and legalize VoIP, the government formulated 'International Long Distance

Telecommunication Services (ILDTS) Policy 2007' and as such Bangladesh Telecommunications Regulatory Commission has made it mandatory since June 2008 to flow all the local and international calls via ICX/IGW/IIG to ensure revenue share for the Bangladesh government. BTRC

has issued International Gateway (IGW), Interconnection Exchange (ICX) and International Internet Gateway (IIG) Licenses through open auctions and earlier on April 12, 2012, twenty six ICX, twenty seven IGW, and thirty six IIG licenses were awarded to various operators.

S Kabir Ahmed, Managing Director of IBCS-PRIMAX stated during the contract signing ceremony that IBCS-PRIMAX developed the ICX and IGW billing solution for the Bangladesh market as per the rules defined by BTRC.

## Acer notebook Shipments take No. 1 Ranking Globally in Second Quarter

Acer Inc., a leading Taiwan PC brand, ranked No. 1 in terms of global notebook shipments during the second quarter (2012), reported Gartner Dataquest.

According to the market research firm, Acer's global notebook market share rose to 15.4 percent during the April-June period. Second-quarter notebook shipments rose 1.2 percent from the first three months and 6.5 percent from the same period last year, Gartner said.

In Europe, Acer notebook shipments regained the No. 1 position in the second quarter, increasing 3.8 percent from the first quarter and 22 percent year-on-year. Market share rose to 20 percent. In terms

of desktop PC shipments, Acer ranked No. 3 in the world, with a market share of 11.4 percent in the second quarter. ■

IBCS-PRIMAX is till to date the only CMMI Level 3 and ISO 9001:2008 certified company in Bangladesh that has developed a fully functional ICX Billing Solution.

Scope of work includes consultancy service on ICX billing rules, CDR mediation service from Binary to ASCII, rating solution based on BTRC rules for ICX, generation of required invoice, money collection history maintenance, managed service, and guidance on necessary hardware requirement for running the billing application ■
